Media and Elections. The media are essential to democracy, and a democratic election is impossible without media. A free and fair election is not only about the freedom to vote and the knowledge of how to cast a vote, but also about a participatory process where voters engage in public debate and have adequate information about parties, policies, candidates and the election process itself in ...

The Morning Report - 12/23/20 [J.J. Sefton] Good morning, kids. It's amazing that even in the face of a stolen election, where the odds of the President having his rightful victory restored are fading fast, the nation doused with gasoline and the propagandist media playing with matches, the Enemy still manages to shoot itself in the face.
